

FILMING IN ROMANIA

GET UP TO 45% FILMING INCENTIVES

ROMANIAN STATE INCENTIVE FOR FILM PRODUCTION

Romania has the most generous State Incentive Scheme introduced in June 2018.

up to 45% Filming Incentives & Cash Rebate

FILMING INCENTIVES

Romania has a strong reputation for film production due to locations, professional crew, lower production costs & available equipment.

Other countries in South Eastern Europe have already implemented different forms of state aid for film production. Romania is the latest to introduce filming incentives.

FILMING INCENTIVES

The state incentive scheme was first introduced by the Romanian Government Decision no. 421 from **June 21st 2018**.

The National Commission for Strategy and Prognosis (CNSP) was nominated as the authority to implement the state incentive scheme.

ELIGIBLE PRODUCTIONS

- Fiction Movies/ Full Length Features
- Short Films
- TV Series
- Documentary
- Animation

WHEN & HOW MUCH?

- The state incentive is available from **November 2018** until **31 December 2020** (period for submitting the applications).
- Payments are made during the period 2018-2022.
- Production has to be completed before mid 2022 to have the payments made until the termination of the incentive scheme.

WHEN & HOW MUCH?

The total state aid for the entire period of the incentive scheme is **150 million EUR** with a maximum for each year of 50 million EUR.

Maximum of **10 million EUR per project**.

The **maximum incentive available is 45%** of the eligible spending for the film production on Romanian territory.

45% OF ELIGIBLE SPENDING

- The maximum incentive is granted as follows:
 - **35% (base incentive)** from the total eligible spending with:
 - Acquisition
 - Rental
 - Production of Goods and/ or Services
 - Crew Fees
 - Salaries
 - Other payments to physical persons
 - **10%** from the total eligible spending above the base incentive under the condition that a geographical area, a city or Romania is promoted in the film production
- The incentive is granted **AFTER** the spending is done and a financial audit is performed and submitted to CNSP.

CONDITIONS

- Minimum 20% and maximum 80% of the total production budget is spent in Romania.
- Maximum 160% of the state incentive shall be spent on Romania territory.
- The minimum amount to be spent in Romania is 100.000 EUR.
- The film production shall be a “cultural product”. The term is defined by a CNSP Order.
- The film is a co-production with a Romanian film producer or a production services agreement is signed with a Romanian film producer.
- Payment is made after the spending is made and a reimbursement application is submitted together with a financial audit performed by a private audit company with at least 3 years of experience. **CNSP has 10 days to approve the request and another 120 days to actually pay the incentive.**
